Sheep dip

£29.90

Colour: Rich, golden copper highlights.

Nose: Delicate and refined. Soft sensual floral notes arise in perfect harmony supported by an attractive array of complex fruit flavours. Melon, pear and orange with a hint of almonds conclude this profusion of charming nuances.

Taste: Finesse and elegance gives way to a majestic assertion of pure malty flavours drawn from the four distilling regions of Scotland. Each area forges and makes its own inimitable contribution to this outstanding pure malt - the main accent being expressed from the Highlands and Speyside Valleys.
